Director of Instruction – Education Innovation

The Board of Education wishes to announce the appointment of Mr. Andrew Samoil as Director of Instruction – Educational Innovation effective August 1, 2017.

Mr. Samoil joined School District 52 in January of 2013 as the Director of Instruction – Information Technology. Since that time, Mr. Samoil has been instrumental introducing information technology strategies into classrooms as well as progressing the modernization of School District 52's libraries to the Learning Commons model.

Mr. Samoil will re-locate his office to the School Board Office to work closely with the education team. We look forward to utilizing the skills Andrew will contribute to the development of this role for the benefit of students and staff.

Thank you Andrew, for taking on this exciting assignment.
