## **Announcement**

### **CHSS Vice-Principal**

The School District has accepted, with regret, the resignation of Charles Hays Secondary School Vice-Principal Kevin Leach. Mr. Leach has spent the majority of his teaching career as a teacher and vice-principal at CHSS, while also serving at Kaien Island Alternate School and Prince Rupert Secondary School. Mr. Leach is moving to a principal position in Princeton, BC.

The new vice-principal at CHSS next year will be Aja Lihou. Ms. Lihou came to the district in 2014 to work as a teacher teaching on call. Beginning in 2015 she has worked full-time at CHSS. Ms. Lihou's specialties are in English and general business, and she has taught the Aboriginal Entrepreneurship course at CHSS.

"The district is grateful to Kevin for his service in the district, including taking on the added responsibility for Port Edward Community School," said Superintendent Ken Minette. "We congratulate Aja on her new appointment. She is joining the CHSS leadership team at an exciting time as they continue to implement the new BC Curriculum and a new school timetable."
