Costa Rica Trip – Pacific Coast School

Pacific Coast School Principal Jeremy Janz, along with students Anissa Barton, Rubbynn Steppler, James Barton, Taylor Wilson and Kennedi Sampson, presented on the school trip to Costa Rica over Spring Break. The students described the wide variety of experiences they had, and some of the fears each of them overcame during their trip. Experiencing a climate and culture that was very different from home was eye-opening for all of the students.

"The Board of Education was impressed by the confidence of the students as they presented highlights of their trip," said Board Chair James Horne. "They learned about the importance of biodiversity, and this knowledge is transferrable to their own environment here in Prince Rupert."

School Calendar

The 2019-2020 school calendar is now in place with a two week Spring Break from March 16 to March 27, 2020. A copy is attached to this press release.

2019-20 Annual Budget

The Board of Education has adopted the annual budget for 2019-20. The operating budget reflects a reserve of \$513,600 or 1.96% of the budget as a contingency to address future operational issues. The Surplus Policy provides that a contingency should be maintained at between 2% and 4% of the operating budget.

In order to balance the budget, spending reductions were made totaling \$710,500, and new spending of \$115,000 was approved. Total expenses in the approved operating budget are \$26,228,000.

Additions:

CHSS Laboratory Assistant (now continuing) \$13,200
Custodial Equipment (ongoing) \$1,800
Early Literacy Intervention Plan \$100,000

Total Additions \$115,000

"The Board faced a tremendous challenge to address the needs of our students within a balanced budget," said Board Chair James Horne. "The Board was unified in its support of the Early Literacy Intervention Plan proposed by the Superintendent, and this was the only significant new program approved."

Aboriginal Education Budget

Adjustments within the Ministry of Education's announced funding have resulted in an increase of \$275,000 in targeted funding for the 2019-2020 school year. The use of these additional funds will be considered by the Aboriginal Education Council at their meeting in May, 2019. The Board of Education anticipates that the Aboriginal Education Council will consider using these funds to support some of the budget requests that the Board could not approve within its balanced budget.

Early Literacy Intervention Plan

Superintendent Irene LaPierre presented the Board of Education with the results of the literacy assessments completed with kindergarten and grade 1 students. 72% of kindergarten students are at risk, and 60% of grade 1 students are at risk. In order to address these risks the district is proceeding with implementation of an Early Literacy Intervention Plan that will support all kindergarten and grade 1 teachers with reading recovery training and classroom resources next school year.

Mental Health Literacy

Over \$37,000 has been received from the Ministry of Education to support mental health literacy for our students. District staff are working to finalize a plan for the use of these funds to create a more welcoming environment. This plan is based on district data showing that Indigenous students compared to non-Indigenous students reported not feeling welcomed at their schools.
