

Prince Rupert School District #52

COVID-19 Safety Plan Guidelines for User Groups

The SD 52 is committed to adapting facility rental opportunities which align with [BC's Restart Plan](#) and the Provincial Health Office (PHO) guidelines and directives.

SD 52 is now working toward reopening our facilities to the community cautiously, with the safety of students, staff and community being the priority. This document is intended to provide user groups of indoor spaces an understanding of SD 52 protocols and the requirements of the user groups who are booking indoor facilities.

SD 52 PROTOCOLS

The Prince Rupert School District is responsible to:

1. Complete a Facility Assessment of indoor spaces prior to opening the spaces up for rental opportunities.
2. Ensure all user groups have completed a rental application and provided required documents including comprehensive liability insurance prior to permitting use of the indoor space for organized activity.
3. Ensure all user groups have completed a COVID-19 Safety Plan.
4. Provide site specific COVID-19 Facility Guidelines where applicable.

USER GROUP REQUIREMENTS

The user groups are responsible to:

1. Provide a COVID-19 Safety Plan which clearly demonstrates how activities will be provided to align with the directives of the Provincial Health Office, local authorities, and other relevant regulators (IE WorkSafe BC). The Safety Plan must be posted by the organization and/or available on-site during activities.
 - **Sport Organizations** must review the [viaSport Return to Sport Guidelines](#) and their Provincial Sport Organization Return to Sport Guidelines and develop a COVID-19 Safety Plan specific to their sport and the facility they are operating out of. The Safety Plan must be approved by their local board of directors and submitted to the SD 52. For sport user groups who do not have a board of directors, the Safety Plan must be submitted and approved by the rental applicant.

- **Non-sport user groups** are required to provide COVID-19 Safety Plan approved by the organization’s board of directors and submitted to SD 52. For user groups who do not have a board of directors, the Safety Plan must be submitted and approved by the rental applicant.
